

# The marketing maturity investment path

Marketing capabilities vary massively from business to business - driven by founder DNA, nature of the tech play - and routes to market. But what unites them is the need to cover all the challenges at some point on the journey from seed to D.

Now no two brands are the same - and the paths below represents an average viewpoint - but where does your brand maturity sit?

# **Brand marketing**

Brand and identity	Makeshift, ad-hoc	MVP, light guidance	Enhanced, structured guidance	Elevated, comprehensive guidance and basic control system	Professionalised management and evolution	Systemised, controlled brand expression
Corporate messaging and positioning	Founder-owned, instinctive	Founder-led, market informed	Marketing managed, somewhat proven	Formalised, hardened, character@scale	Multi-faceted, multi- persona relevance	Managed evolution and representation
Digital journeys and experiences	MVP	Starter experience	Enhanced experience, managed	Comprehensive experience, personalised vision	Deep, personalised experience, digital products	Dynamic personalised experience, digital product portfolio
Product and solution marketing	Mind-based, informal	Lightly formalised	More structured, somewhat proven, shared ownership	Quite comprehensive, proven, focussed resource	Comprehensive, end-to-end portfolio	Highly integrated with thought leadership and other marketing
Thought leadership and market development	Founder POVs, ad-hoc	Founder-led, market informed	Marketing influenced, evolving and hardening	Marketing managed, thought leadership @ scale	Linked to culture, multi-persona relevance	Managed to be always-leading

## **Revenue marketing**

Demand generation and nurturing	Relationship	Informal, light scaling	Marketing managed, always-on, somewhat proven, exploring ABM	Expanded account profiles, programmised, light ABM	Highly-programmised and more extensive ABM	Programmised, optimised and ABM at most levels
Vertical and segment marketing	None unless segment play	As required	Light, key segments	More extensive, all segments	Extensive, focussed strategic segment marketing	Dedicated marketing effort
Sales enablement	None, as-you-go	MVP	Some tools, lightly structured	Extended tools, structured, available for most key personas	Comprehensive tools, structured, available for most levels of maturity	Comprehensive tools, highly structured, available for all levels of maturity
Revenue and growth marketing	None, as-you-go	Regular initiatives, lightly structured	Enhanced initiatives, more structured	Proven, scalable models, dedicated practice	Structured, available for most revenue streams and digital products	Structured, available for all revenue streams and digital products
Partner marketing	None unless partner / channel play	Ad-hoc partnering as required	Light, key use cases / opportunities	More extensive, varied partner types, formalised programme	Extensive, focussed strategic relationships	Comprehensive relationships for use cases, segments, geos
	and nurturing Vertical and segment marketing Sales enablement Revenue and growth marketing	and nurturingRelationshipVertical and segment marketingNone unless segment playSales enablementNone, as-you-goRevenue and growth marketingNone, as-you-goPartner marketingNone unless partner	and nurturingRelationshiplight scalingVertical and segment marketingNone unless segment playAs requiredSales enablementNone, as-you-goMVPRevenue and growth marketingNone, as-you-goRegular initiatives, lightly structuredPartner marketingNone unless partnerAd-hoc partnering	Demand generation and nurturingRelationshipInformal, light scalingalways-on, somewhat proven, exploring ABMVertical and segment marketingNone unless segment playAs requiredLight, key segmentsSales enablementNone, as-you-goMVPSome tools, lightly structuredRevenue and growth marketingNone, as-you-goRegular initiatives, lightly structuredEnhanced initiatives, more structuredPartner marketingNone unless partnerAd-hoc partneringLight, key use cases	Demand generation and nurturingRelationshipInformal, light scalingalways-on, somewhat proven, exploring ABMprofiles, programmised, light ABMVertical and segment marketingNone unless segment playAs requiredLight, key segmentsMore extensive, all segmentsSales enablementNone, as-you-goMVPSome tools, lightly structuredExtended tools, structured, available for most key personasRevenue and growth marketingNone, as-you-goRegular initiatives, lightly structuredEnhanced initiatives, more structuredProven, scalable models, dedicated practicePartner marketingNone unless partner (channel playAd-hoc partnering as requiredLight, key use cases (opportunitiesMore extensive, varied partner types,	Demand generation and nurturingRelationshipInformal, light scalingalways-on, somewhat proven, exploring ABMprofiles, programmised, light ABMand more extensive ABMVertical and segment marketingNone unless segment playAs requiredLight, key segmentsMore extensive, all segmentsExtensive, focussed strategic segment marketingSales enablementNone, as-you-goMVPSome tools, lightly structuredExtended tools, structured, available for most key personasComprehensive tools, structured, available for most key personasStructured, available for most levels of maturityRevenue and growth marketingNone, as-you-goRegular initiatives, lightly structuredEnhanced initiatives, more structuredProven, scalable models, dedicated practiceStructured, available for most revenue streams and digital productsPartner marketingNone unless partner (channel playAd-hoc partnering as requiredLight, key use cases (apportunitiesMore extensive, varied partner types,Extensive, focussed strategic relationships

## **Communications** marketing

	Corporate communications and customer marketing	Very limited, one-to-one, ad hoc	More comms, makeshift, light structure	Enhanced, more structure, key audiences	Value-aligned, structured, more audiences	Professionalised, most audiences	Always-communicating to all audiences
	PR and AR / commentator marketing	None/light founder marketing	Founder-led, key event oriented	Marketing influenced, ongoing announcements	Company-wide value, strategic programmes	Proactive, multi-facetted programmes	Always-commenting and opinion forming
$\leftarrow \bigcirc \bigcirc$	Content and social marketing	Ad hoc, light social-only	Makeshift, light structure, more social than true content marketing	More social and some content marketing, lightly structured	Enhanced content and more extensive social, structured	Extensive content and social, professionalised, managed	Always-creating and optimising
